

## **Upcoming Alumni Event**

The annual **Christmas Alumni Concert** will be December 17, 2009. Alum, mark your calendars, put this in your phone, post a reminder to your alumni friends on Facebook, and make sure to join us. This year, we will gather *after* the concert for snacks and conversation, after that—perhaps Starbucks or Common Grounds to chat until who knows when. Trivia questions: 1. What type of computers were donated for our first computer lab at CLS? 2. Who was the pro-football player who, for a time, planned to send his kids to CLS?

Think you know the answer to either of these questions? One correct answer is all you need. Email your answers to Paulette at: [clsalumni@kclsed.org](mailto:clsalumni@kclsed.org).

The first ten alumni with the correct answer will wear rubber bracelets in red. Make sure to email address no later than December 1<sup>st</sup>.

Hope to see you all during the Alumni Christmas event. Oh, and remember...you don't have to play an instrument to be a part of this—**All** Alumni are invited to this event.
